National Chiao Tung University International College of Semiconductor Technology
Master's Student Credit Transfer and Waiver Regulations

Formulated by the College Affairs Meeting on April 15, 2016.

I. The Regulations are formulated in accordance with the National Chiao Tung University Credit Transfer Regulations.

II. The following students may apply for credit transfer and waiver:

(1) Transfer students from other departments.

(2) New students who transferred to this College from a master's program at another college or university.

(3) Those whose advanced placement credits are eligible for transfer in accordance with laws and regulations upon admission into the program.

(4) Those with proof of credits from other courses taken while enrolled at the University.

(5) Master's students whose advanced placement credits were taken during their undergraduate program and not counted toward their graduation credit requirement. After admission into the master's program, if these courses are required by the program but the credits had been counted toward their bachelor graduation credit requirement, the students may apply for waiver on the condition that it does not change the master's graduation credit requirement.

(6) Students selected by the College for dual-degree study at an overseas university shall have their overseas credits counted and graded upon their return in accordance with the method for inter-school elective courses.

(7) Re-admitted new students (Note: Refer to previous master's students at the College who did not obtain their master's degree, and who are re-admitted).

III. The total credit transfer and waiver allowed for students listed in Article II above are as follow:

(1) Credit transfer and waiver applications for credits obtained in the previous semester (the first semester of admission for new students) must be submitted after school begins by the deadline set by the University. Applications after the deadline must be approved by the College Curriculum Committee .

(2) Graduate students applying for credit transfer and waiver must submit the following documents:

A. An application form.

B. A photocopy of transcript or proof of credit.

(3) Applications for credits transfer and waiver are limited to courses recognized by the College.

(4) Credit transfer and waiver applications are limited to courses taken within 2 years of admission, and a maximum of 2 courses totaling 6 credits. Credit course students applying for credit transfer and waiver are limited to courses taken within 3 years of admission. For re-admitted new students, all their credits taken at the University are recognized for credit transfer and waiver. For students selected by the College for dual-degree study at an overseas university, all their credits taken at the overseas university are recognized for credit transfer and waiver.

(5) Courses must have scores of 70 points or above, and reviewed and approved by the Department for credit transfer and waiver.

IV. Credits for subjects taken in domestic or foreign universities and graduate institutes recognized by the Ministry of Education may be credited in accordance with the Regulations.

V. The Regulations are implemented upon approval by the College Affairs Meeting; the same shall apply to the amendments.
