

NYCU X TSMC

# ELITE SCHOLARSHIP PROGRAM

For International Undergraduate Students in Semiconductor Field

## Scholarship

- **TSMC:** NT\$120,000 per year, up to a maximum of four years
- **NYCU:** Tuition reduction

Application  
Deadline  
**APRIL 15,  
2025**

## Eligibility and Obligations

- This scholarship is open to international undergraduate students in eligible NYCU departments.
- **Language Proficiency:** Applicants must provide proof of both:
  1. English proficiency at the CEFR B2 level or above.
  2. TOCFL (Test of Chinese as a Foreign Language) at the A2 level or above
- **Graduation Requirements:**
  1. Completion of the Interdisciplinary Semiconductor Program (at least 10 courses, totaling 30 credits)
  2. TOCFL Chinese proficiency test at the B2 level
- **Scholarship Renewal Conditions:**
  1. Academic performance must meet NYCU's scholarship renewal requirements each semester.
  2. A required percentage of courses in the Interdisciplinary Semiconductor Program must be completed each year, as per regulations. (The program courses are to be announced.)

## NYCU Eligible Departments

### College of Electrical and Computer Engineering:

Department of Electrical Engineering

Department of Photonics

Department of Semiconductor Engineering

### College of Engineering:

Department of Mechanical Engineering

Department of Materials Science and Engineering

Department of Civil Engineering

### College of Science:

Department of Electrophysics

Department of Applied Mathematics

### Application Fee:

The application fee is NT\$2,000 per department.  
(Charged according to the department regulations)
