Course Requirements for Doctorate Program, College of Hakka Studies

Academic Year 2025

Minimum years of study	Four years
Credit requirement	24 credits
Prerequisite and elective courses requirements for the eligibility of graduation	<ol style="list-style-type: none"> 1. Doctorate program students are required to complete 24 credits, including 9 credits of prerequisites and 15 credits of elective courses. The optional courses should include one of two research method courses (3 credits), one of two Hakka studies courses (3 credits), and other elective courses (9 credits). 2. Students may choose no more than 9 credits courses offered outside of the program for elective courses. A written application should be filed in advance for the consent of the advisor and the program director. 3. The transfer of credits of courses taken during the period of overseas exchange is subject to relevant regulations.
Note	<ol style="list-style-type: none"> 1. Thesis-writing (I) and Thesis-writing (II) are prerequisite courses with 1 credit for each one. Students have to pass their comprehensive exam before taking these two courses. 2. Seminars on Ethnicity and Culture (the first four semesters for their PhD program) are prerequisite courses with 0 credit.
